

## 'BH' VEHICLE REGISTRATION SERIES NOTIFIED

Relevant for: Economy | Topic: Infrastructure: Roads

To ensure seamless transfer of personal vehicles across States, the Road Transport Ministry has come up with Bharat Series (BH-series), a new registration mark for new vehicles.

In this regard, the government has notified a new vehicle registration regime that will free vehicle owners from re-registration process when they shift from one State/Union Territory to another.

“This vehicle registration facility will be available on voluntary basis to defense personnel, employees of central government/ State government/ central/ State public sector undertakings and private sector companies/organisations, which have their offices in four or more states/union territories,” the Ministry of Road Transport and Highways (MoRTH) said in a statement.

The statement further said that an IT-based solution for vehicle registration is one such effort as “one of the pain points in the vehicle registration process that needed attention was re-registration of a vehicle while moving to another State”.
