

E-COURT MISSION MODE PROJECT

Relevant for: Indian Polity | Topic: Judiciary in India: its Structure, Organization & Functioning, Judges of SC & High Courts, Judgments and related Issues

As part of the National eGovernance Plan, the eCourt project is an integrated Mission Mode Project under implementation since 2007 for ICT development of the Indian Judiciary based on the "National Policy and Action Plan for Implementation of Information and Communication Technology in the Indian Judiciary". The e-Court Integrated Mission Mode Project was launched with the objective of improving access to justice using technology. The Phase I of eCourts was concluded in 2015 in which 14,249 Court sites were computerized. Under Phase II, 18,735 District & Subordinate courts have been computerised so far. The details of status of implementation of the said project is as below:

In the Phase II of the eCourts project, out of total outlay of Rs. 1670 crore, the Government has released a sum of Rs. 1668.43 crore as on 31.03.2022 to various organizations involved in the implementation of the project. This includes a sum of Rs. 1164.37 crore released to all High Courts.

18735 District and Subordinate Courts are computerized and are ICT enabled under eCourts phase-II so far.

Steps taken ICT enablement of Courts are as follows:

The steps taken to provide efficient and time bound access to citizen centric services of courts to plaintiffs having no access to internet and facing digital divide:

On 30 October 2020, India's first e-Resource Center was inaugurated at Nagpur in Maharashtra. The **e-Resource Centre "Nyay Kaushal"** will facilitate e-filing of cases in Supreme Court India, High Courts and District Courts across the country. It will also assist the lawyers and litigants in access online e-Courts services and shall be the saviour for those who cannot afford the technology. It will provide benefits in saving time, avoidance of exertion, travelling long distances, and saving cost by offering facilities of e-filing of cases across the country, to conduct the hearing virtually, Scanning, Accessing e-Courts services etc.

This information was given by the Minister for Law and Justice, Shri Kiren Rijiju in a written reply to a question in Lok Sabha today.
