Cabinet approves MoU between India and the USA concerning Scientific and Technical Cooperation in the Earth Sciences

Posted On: 06 DEC 2018 9:38PM by PIB Delhi

The Union Cabinet chaired by Prime Minister Shri Narendra Modi has been apprised of Memorandum of Understanding (MoU) between India and the United States of America (USA) concerning Scientific and Technical Cooperation in the Earth Sciences. The MoU was signed on 1st November 2018.

The collaboration between India and the USA will enable sharing of the expertise available with organizations in both countries, and adoption of the latest state-of-the-art technology in the field of Earth Science. Specific areas of cooperation include ecosystems, climate variability and land-use changes, energy, minerals, environmental health, natural hazards, risk and resilience of assessments, water resources, and informatics and data integration. The cooperation under this MoU is envisaged through various modes viz. exchange of technical information, visits, training and cooperative research consistent with on-going programmes of both countries in the above fields.
