

## SEBI TO RELAX LISTING NORMS FOR START-UPS

Relevant for: Indian Economy | Topic: Issues relating to Growth & Development - Capital Market & SEBI

In a major push to kick-start listing of start-ups in India in a big way, capital markets regulator SEBI has lined up a slew of relaxations for new-age ventures in sectors like e-commerce and data analytics to raise funds and get their shares listed on stock exchanges.

The proposals, which are likely to be discussed at SEBI's board meeting this week, also include renaming the 'Institutional Trading Platform' that the regulator had created for such listings as 'Innovators Growth Platform.'
