

BIZ-RENEWABLE

The Centre has extended the waiver of inter-State power transmission charges and losses for solar and wind projects commissioned till March 31, 2022, to give a boost to clean energy sources. Earlier, the waiver was available to solar and wind power projects commissioned till December 31, 2019, and March 31, 2019, respectively. The waiver was available for a period of 25 years from the date of commissioning of the project.pti
