## Setting up of Space Technology Park and Museums

Posted On: 03 JAN 2019 3:58PM by PIB Delhi

The ISRO has plans to set up Space Galleries in various locations in the country. The Space Galleries are expected to disseminate the knowledge about space science and technology amongst the citizens of our country. The Gallery will consist of interactive methods/ models describing the principles of Space science and technology.

Initially, Space Galleries are planned to be established at Birla Science Centre at Hyderabad, Nehru Science Centre at Mumbai and National Science Centre at PragatiMaidan in New Delhi. In addition to this, ISRO has taken initiatives to establish space gallery in all the national museums/science centres (under Ministry of Culture) across the country in a phased manner.

In addition to the Space Galleries, ISRO is planning to establish Knowledge centres, mobile exhibitions, competitions amongst students and various talks/ lectures on Space Science/ technology related aspects.

This information was provided by the Union Minister of State (Independent Charge) Development of North-Eastern Region (DoNER), MoS PMO, Personnel, Public Grievances & Pensions, Atomic Energy and Space, Dr Jitendra Singh in written reply to a question in Rajya Sabha today.
