Congress leader in Lok Sabha Adhir Ranjan Chowdhury on Friday apologised to President Droupadi Murmu and said he had used an incorrect word to describe the post she held by mistake.

Sources said Mr. Chowdhury's formal apology was a sign that the logjam in Parliament could end soon and the Lok Sabha may take up the discussion on price rise on Monday and the Rajya Sabha a day later .

"I am writing to express my regret for having mistakenly used an incorrect word to describe the position you hold. I assure you that it was a slip of the tongue. I apologise and request you to accept the same," Mr. Chowdhury said in his letter.

On Wednesday, he had used the word 'Rashtrapatni' for the President while taking to a TV channel.
