The Supreme Court on Friday came down heavily on producer Ekta Kapoor over “objectionable content” in her web series *XXX*, saying she was polluting the minds of the young generation of this country. The top court was hearing a plea filed by Ms. Kapoor challenging the arrest warrants issued against her for allegedly insulting soldiers and hurting the sentiments of their families in the web series aired on her OTT platform ALTBalaji. “You are polluting the minds of the young generation of this country.
